TERMS AND CONDITIONS

All coils must be secured in accordance with FMCSA cargo securement rules.

Carrier shall forfeit $100 of the agreed rate for every hour, or part of an hour, that the vehicle is not at the destination by the required delivery time.

Three Rivers uses an automated visibility platform; the driver will receive a text message to opt in.

Carrier agrees that failure to opt in, or loss of visibility for a continuous period exceeding 90 minutes, reduces the line haul by $150.

Free time is two hours at each stop. Time beyond that is billable at $50 per hour in 15 minute increments, with a cap of $400 per stop.

Requests for time beyond free time must be submitted with the delivery paperwork and supported by a signed and timed bill of lading.

Trucks cancelled within two hours of the scheduled loading time are paid $200.

Drivers are expected to wear a hard hat, safety glasses and steel toe boots at the mill.

Carrier is paid 30 days from the date a complete invoice package is received.

For an expedited payment within 48 hours, 4% will be withheld from the amount due.

Signed delivery receipts not received within 5 business days delay payment and may be assessed a $75 late documentation charge.

Tarp pay is included above and no additional tarp charges will be honored.

Any rust or water damage to coils attributed to improper tarping will be charged back to the Carrier at replacement cost.

Carrier may not contact the shipper or the consignee about rates or freight for a period of twelve months.

This confirmation is governed by the Broker-Carrier Agreement on file.

Carrier waives any right to hold freight or paperwork as security for payment.
